Reception emergency telephone:

This telephone is to the left of the office entrance door.

It has three pre-programmed numbers:

M1 button: Police

M2 button: Fire brigade

M3 button: Ambulance service

Pressing any of these buttons will call the corresponding number directly.

Reception is open at all times except at night. Entry is via the automatic door. If the automatic door is closed (shutter down), entry is via the side door to the right of the automatic door.

**In the event of an emergency, make your way to the assembly point ON FOOT
and follow the instructions given by the campsite.**
